

# CHRISTMAS CARNIVAL, 2023

22<sup>nd</sup> December, 2023

Pride World Play Way and Pride World School organized a Christmas Carnival at Avenue 1, Assotech World Township, Rudrapur on the 22<sup>nd</sup> of December, 2023. It was an evening to remember.

At this pre-launch event of the school, the children and their parents not only enjoyed the scrumptious food, they also took part in various competitions and visited the stalls of Oxford University Press and others. The children enjoyed the rides in the glitz of colour and light.

For Pride World Play Way and Pride World School, it was a prep to be aware of what a dream school would be like to the Parents for their wards. Our interaction with the students and the parents was extremely fruitful. Lots of parents showed their interest in a school that would provide international quality education and life skills and that too at their doorstep.

The Carnival was an illustration of things to come for the school and the students of the school.
